DNA Evidence in Sexual Assault Cases-Crime Victim Debbie Smith's Story

(Sponsored by Life Technologies)

You are invited to come along to hear our acclaimed US guest speaker, Debbie Smith discuss amazing technological advances on DNA evidence used in sexual assault cases. Debbie, an American rape victim will engage you with her chilling speech regarding her brutal rape and consequent fight for justice resulting in a successful change in legislation (The Debbie Smith Act of 2004 and The Debbie Smith Reauthorization Act of 2008).

This Public Night is part of the 20th International Symposium on the Forensic Sciences of the Australian and New Zealand Forensic Science Society (ANZFSS).

Location: Bayside Grand Hall, Sydney Convention & Exhibition Centre

Date: Monday 6th September

Time: 6:30-8:00pm

**FREE Public
Night**
